

# St. Alphonsus and St. Patrick Religious Education Tuition Form

Tuition is based on an active supporting parishioner status. Tuition rates for active supporting parishioners are lower due to the parish's subsidy to the Religious Education Program. The parish subsidy helps to defray the actual cost of tuition for each student. As an active supporting parishioner, it is expected that you attend Mass and contribute to the parish using your weekly envelopes.

An analysis by the parish will determine if supporting parishioner status is maintained: Parish reviews contributions from September through January. If no contributions, then in early February a notice will be sent to the family explaining that they are now considered a non-active/non-contributing family and will be charged the higher tuition rate for the current catechetical year. The payment will be due by March 1st, unless the family begins to use their envelopes on a regular basis.
